****** If vessel crew members only possess a C1/D visa and have not received a B1/B2 visa in the past and if they would like to apply for both C1/D and B1/B2 visas together, they must schedule a regular in-person interview instead of renewing their visa through the interview waiver program.

Please note that eligibility for interview waiver does not guarantee a visa issuance nor does it guarantee that the interview will be waived. Although your interview may be waived, you may still be required to appear for finger scanning. Any necessary notification will be made via the email address listed in your DS-160 online application.
